Great State Fare Food Court**  
in the  
**James R. Thompson Center**  
100 W. Randolph Street, Chicago  
(312) 630-0342

The Great State Fare Card is a plastic card with a magnetic strip. It eliminates the need for currency or change at the register. Additionally, each time you use your card you will receive a 10% discount at the cash register.

### Benefits of the Great State Fare Card:

- Save 10%
- Eliminates the need to carry cash
- Rechargeable in \$5 increments
- Great selection of participating restaurants (see reverse)
- Can be used as a gift card
- Allows more time to enjoy your lunch

### Obtaining (Purchasing) a Great State Fare Card

The Great State Fare Card is available for purchase at the Jazzman's Internet Café. The initial cost and value of the Great State Fare Card is \$20.00. Additional value can be added using \$5, \$10 & \$20 dollar bills at the refilling station located outside of Jazzman's Internet Café.

### How to Check Your Balance

Swipe your card in the card reader at the Great State Fare Card check balance and refilling station. The balance will be displayed. If you don't want to add to your balance at this time, press the FINISH button and your transaction will be complete.

### Refilling your Great State Fare Card

Additional value can be added in \$5.00 increments using \$5, \$10 & \$20 dollar bills.

1. Swipe your card
2. Insert your money of \$5, \$10 or \$20 dollar bills
3. Press "FINISH"
4. Collect your receipt

### Purchases at Participating Restaurants

Each purchase made with your card will receive a 10% discount (before tax, not to be combined with other offers). For payment pass your card to the register attendant. Purchases will be deducted from the balance on your card.

### Frequently Asked Questions

#### Q: What if I lose my card?

A: Treat your card the same as cash. If lost or stolen, any cash value on your card can be used by other people unless your card is returned. No refunds will be given for lost or stolen cards that are unregistered. We recommend that you register your card in our database to assist in transferring any unused balance to a replacement card.

#### Q: What happens if my card stops working?

A: If your card becomes unreadable, call (312) 630-0342 to replace it. To transfer a balance to a new card, you must present the original card or have your card registered in our database. Only the card balance shown in our database can be transferred. The charge for a replacement card is \$1.00.

#### Q: What happens if a cashier overcharges my card at the register?

A: The cashier can credit the overcharge back onto your card only at the time of purchase.

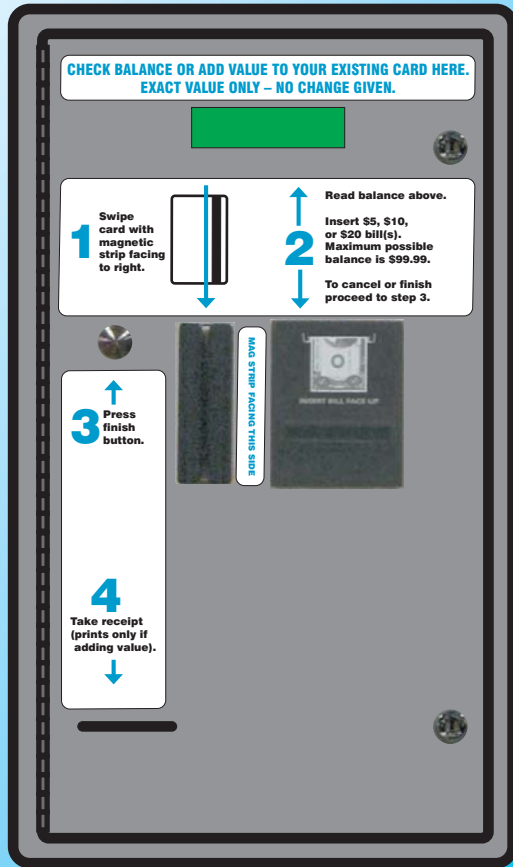

#### Q: What is the maximum value that I can place on my card?

A: The maximum value you can have on this card is \$99.99. You cannot carry a negative balance on your card.
